

FLEXIBLE PACKAGING

The popular choice for a variety of reasons

The Pouch Houe’s flexible packaging solutions enable you to get products to market quickly and cost-effectively. We’ve invested in the latest manufacturing techonologies and simplified the ordering process, making it easy for you to enjoy the advantages of flexible packaging.

Why Flexible Packaging?

Food Safety

Every pouch we create is SQF certified.

Shelf Life

High-barrier film materials ensure product freshness.

Consumer Experience

Consumers love the compact size and resealable closures.

Brand Image

Vivid, full-color digital printing lets your brand stand out on the shelf.

Sustainability

High product to-package ratio means fewer resources are used to manufacture and transport.

Traceability

The Pouch House’s variable digital printing technology simplifies traceability.

Capabilities

We offer flexible packaging in a wide range of formats including lay-flat pouches, stand-up pouches, spouted pouches, roll stock and fin-sealed bar wrappers.
