Dieline Details

Yellow = Cut Tolerance

Please allow for the cut tolerance. Always make sure your artwork matches along both yellow edges.

Purple Dash = Safe Areas

Don't accidentally trim off important information or fold it onto another panel. Keep all important text and design elements inside the purple safe areas.

Blue = Optional Features

Go ahead! Add a zipper. Add a hang hole. Remove the tear notch. Simply select these options when ordering and they will be placed where marked in blue.

The diagram shows the back panel of a pouch. It is a large rectangle with a dashed purple border. On the right side, there is a zipper and a hang hole. The word "BACK" is written vertically in the center.
